FREE DVD Whisky Galore!

Today we're giving you the chance to receive a fantastic FREE DVD of the Scottish comedy classic Whisky Galore!

Whisky Galore! Ranks among the most popular and best-loved of the Ealing comedies, included on the British Film Institute's list of the 100 Best British films of the 20th Century. When a ship carrying 50,000 cases of whisky runs aground, the inhabitants of a Scottish island cannot resist the temptation to replenish their depleted supplies. Only an English Home Guard captain (brilliantly played by Basil Radford) stands in their way. The first film from Ealing stalwart, Alexander Mackendrick, Whisky Galore! is a 100% proof comedy classic. To get yours, simply follow the instructions.
